## FAST FRAME LUMOS SERIES

The Fast Frame Lumos Series are undoubtedly the flagship of the OZtrail range with a multitude of features that will make your tent the envy of other campers. Featuring an integrated LED lighting system built into the pole system to provide internal illumination at the push of a button. In addition is the new Blockout technology, an advanced coating applied internally to the tent fly that blocks daylight by up to 95% and reduces heat inside the tent by up to 10°. Also utilising the easy to setup Fast Frame integrated pole system with a 3000mm waterhead rated fly and a heavy duty PVC coated polyoxford floor, the Lumos tent series has all your shelter needs well and truly covered.
